

The background features abstract, overlapping green geometric shapes, including triangles and polygons, in various shades of green, creating a modern and dynamic visual effect.

Električni izvršni organi

Kontaktor

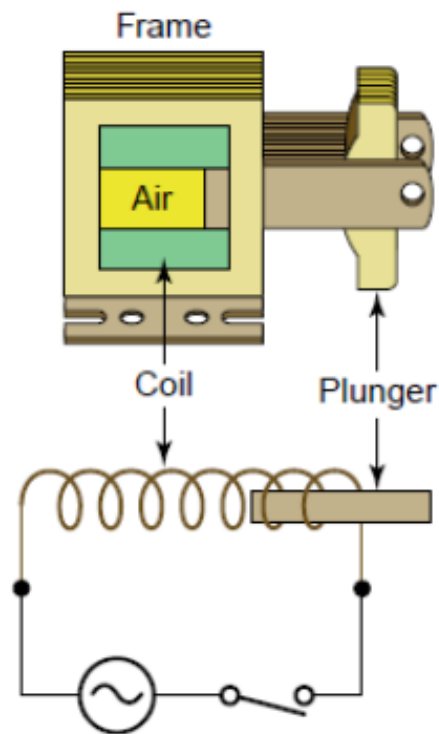

Relej

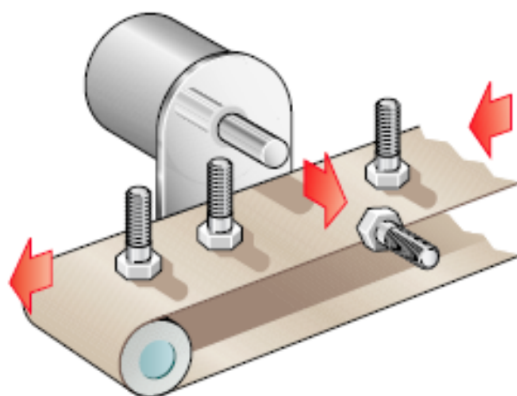

Solenoid

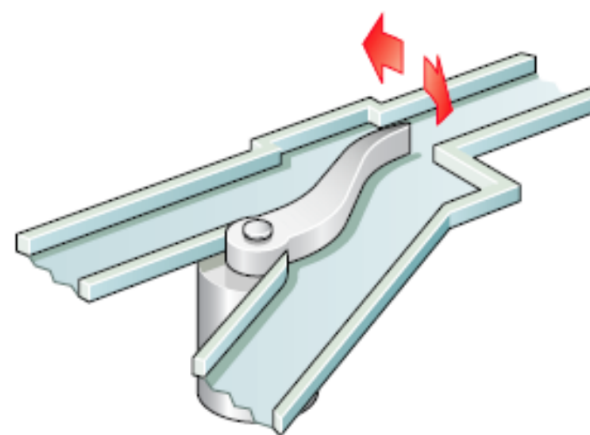

- ▶ Solenoid je uređaj koji koristi električnu energiju da bi magnetno prouzrokovao mehaničku upravljačku akciju.
- ▶ Sastoji se od zavojnice, rama i kotve
- ▶ Obično ima i oprugu koja ga vraća u početni položaj

Linearni i obrtni solenoidi

Linear solenoid

Rotary solenoid

Solenoidni ventil
